

Art of Aphrodite

For women who demand only the finest of *everything...*

### Aphrodisiac Temptations Package

This party offers a selection of foods to scintillate your senses. The stage is set with full bodied jazz music and scented candles intended to arouse.

The Aphrodisiac's Delight is a discussion and sampling of foods that have been recorded as far back as the ancients to arouse sexual desire. This party will give party goers an opportunity to experience sensual flavors in all their glory and discuss how to infuse your life with ingredients that contribute to eroticism.
